

Texas ASCD Professional Development Sessions

Institute – One-day professional development session.

Academy - 2 or more day professional development session.

By hosting one of our professional development sessions you will receive discounted registration for anyone you would like to send from your school/district.

What does hosting a session involve:

- Providing a contact person for arrangements before and during presentation.
- Help in promoting this session to surrounding schools/districts.
- Providing a location for the professional development session.
- Providing am and pm snacks, of your choice, for participants. (usually consisting of am - coffee and doughnuts, pm - soft drinks and cookies)
- Providing audio visual equipment for the presenter (usually consisting of a projector, screen, computer, microphone, and flip chart with markers)
- Providing a registration table at the session.

What does Texas ASCD provide:

- A quality professional development session.
- Qualified presenter in the field of education.
- A contact person in the Texas ASCD office that will attend the professional development session.
- Promotion of your professional development session.
- Copies of all handouts.
- Handling all presenter travel and expenses.
